DUAL-DEGREE PROGRAM

The CAE Department offers three 5-year programs leading to the BS and the MS degrees (BSCE-MSCE; BSAE-MSAE; and BSEnE-MSCE).

These three programs are open to students who are admitted to the graduate status at the end of their junior year. Students applying for a BS/MS program must have a minimum grade point average of 3.0, and score more than 310 on the Graduate Record Examination.

The course requirements for any of the three five-year BS/MS programs can be met as follows:
