Jean-Pierre Bardet

UNIVERSITY OF MIAMI
COLLEGE of
ENGINEERING
THE COLLEGE’S NEW STRATEGIC DIRECTION:

- Redefine Engineering Education
- Interdisciplinary Partnerships
- Research Excellence in Emerging Areas
- Become the Innovation Hub of Miami
- All with tangible benefits to society.

Dean Jean-Pierre Bardet
Dr. Jean-Pierre Bardet was appointed dean of the University of Miami College of Engineering in August of 2015. Previously, he was dean of the University of Texas at Arlington College of Engineering and chair of the Department of Civil Engineering at USC Viterbi School of Engineering.
