## Dr. Victoria Coverstone

*has joined UM as*  
Chair of the Department  
of Mechanical and  
Aerospace Engineering

## Dr. Victoria Coverstone

Highly regarded aerospace researcher Dr. Victoria Coverstone has joined the University of Miami College of Engineering (CoE) as the chair of the Department of Mechanical and Aerospace Engineering. The first woman to hold a chair in the CoE, Dr. Coverstone is a fellow in the American Institute of Aeronautics and Astronautics (AIAA). She was awarded a summer faculty fellowship by NASA at the Marshall Space Flight Center for 2015. Prior to joining the CoE, Dr. Coverstone spent more than 20 years of experience at the University of Illinois at Urbana-Champaign, and she has held several administrative positions, including associate head of aerospace engineering and associate dean for graduate and professional programs. She earned her BS, MS and PhD in aeronautical and astronautical engineering at the University of Illinois at Urbana-Champaign.
