

UNIVERSITY OF MIAMI
**COLLEGE of
ENGINEERING**
**SENIOR
DESIGN EXPO**

Sponsor the 2018 Senior Design Expo

Monday, April 30, 2018

5:00 - 8:00 pm

Donna E. Shalala Student Center at
University of Miami

The Senior Design Expo is a showcase of projects developed by our students across all five engineering departments: biomedical; civil, architectural and environmental; electrical and computer; industrial; and mechanical and aerospace.

Over 250 senior engineering students showcase their project work and compete for awards. More than 50 posters will be on display, as well as many prototypes. Student teams of up to 8 transform what they learn in the classroom into solutions to real-world challenges.

Sponsorship of College of Engineering's Senior Design Expo provides your organization with exposure to an incredibly diverse and talented group of undergraduate engineers.

coe.miami.edu/seniordesignexpo

For more information on sponsorship, please contact Catarina Castruccio-Prince, interim director of development, at (305) 284-9762 or at ccastruccioprince@miami.edu.

INNOVATING PARTNER (one only) \$5,000

- Keynote Speaker
- Invitations to judge at the Expo
- Presenting opportunity for Industry Impact Award
- Verbal, print and visual recognition
- Recognition on website, social media and email correspondence

DIRECTING PARTNER \$2,500

- Invitations to judge at the Expo
- Presenting opportunity for popular vote awards (3 available)
- Print and visual recognition
- Recognition on website, social media and email correspondence

COLLABORATING PARTNER \$1,000

- Invitations to judge at the Expo
- Presenting opportunity for departmental senior design awards
- Print and visual recognition
- Recognition on website, social media and email correspondence

SUPPORTING PARTNER \$500

- Print and visual recognition
- Recognition on website, social media and email correspondence
