

EDISON ENGINEERING SOCIETY

Membership in the Edison Engineering Society is open to supporters who make a gift of \$1,000 or more during the University of Miami's fiscal year (June 1 - May 31). Young Alumni may join at lower thresholds. Members receive complimentary invitations to College of Engineering and Edison Engineering Society events and activities, bringing them closer in touch with the Dean, faculty, and special guests.

Edison Engineering Society Members will receive priority invitations to College of Engineering events. Proposed events for the 2021-2022 school year include:

EVENT	MONTH
Florida Engineering Society reception	August
Career Day (Half Day)	September (morn)
Homecoming Event	November
College Research Day Tour of Shared Facilities	February last week
TALIS Day	March
Sr. Design Expo	May
Edison Society Event	July
College Lecture Series	Once a Semester
Departmental Seminars	Weekly

In addition, Edison Engineering Society members will be recognized on the College of Engineering website.
